BOWL SHINE

TOILET BOWL CLEANER

DESCRIPTION

BOWL SHINE is a blend of in-organic acids and surfactant especially effective for toilet bowl de-scaling.

APPLICATION

BOWL SHINE is effective in removing calcium scales, urinal stains, iron, copper and rust stains from stainless steel, copper, brass and porcelain surface of toilet bowl and surrounding bathroom area.

METHOD OF USE

For toilet bowls apply directly under the toilet bowl rim and around the inside wall. Use a bowl mop or brush to swab thoroughly and then flush.

For removal of stubborn stains and mildew growth from tiles, sinks and tubs, apply full strength. Scrub thoroughly and rinse with clean water.

SAFETY

Protective gloved should be worn to avoid prolonged skin contact. Any splashes in the eye should be immediately flushed with plenty of water and medical advice obtained.

PACKING

5litres bottle/25litres drum.
