CRIMSON FORCE

EXTRA HEAVY DUTY DEGREASER – KITCHEN GRADE

DESCRIPTION

CRIMSON FORCE is an ideal partner for kitchen cleaning of walls, floors, canopy and stoves. CRIMSON FORCE is a highly concentrated blend of alkaline base detergent booster by selected wetting agents and surfactant. It penetrates oily surface without causing streak.

CRIMSON FORCE is a safety solvent for removing in-organic grease & oil effectively. Its solvent power penetrates and dissolves greasy stains on anodized aluminum frames and stainless-steel surfaces without streak problem.

APPLICATION

CRIMSON FORCE can be used to clean cooking areas. It is also used to clean workbenches, stoves, range and canopy, filter and cooker hood. It is very effective on oily and greasy floors, walls and equipment surfaces when diluted with hot or warm water.

FEATURES

- **Non-flammable.**
- **Contains hydrocarbons, powerful surfactants and alkaline builder.**
- **Will not cause streak marks on aluminum or stainless-steel surfaces.**

METHOD OF USE

Dilute 1:3 for heavy duty degreasing. For normal cleaning, a dilution of 1:5 is recommended. It can be diluted with 10 parts of water for the light cleaning. Spray solution onto equipment to be cleaned and let remain for several minutes. Wipe off with clean cloth and then rinse with clean water. Heavy scrubbing is not necessary. For floor surface, the solution is applied with damp mop for agitation, use clean water to mop up residue after agitation.

SAFETY

Do not expose to open flame. Store it at room temperature. Protective gloves should be worn to avoid prolonged skin contact & during handling. Any splashes in the eye should be immediately flushed with plenty of water and medical advice obtained.

PACKING

5Ltrs bottle/ 25Ltrs drum
