# DEEP SHINE

## LIQUID STAINLESS STEEL POLISH

### DESCRIPTION

DEEP SHINE is a liquid stainless-steel polish specially formulated to brighten, polish and protect stainless steel surface. It contains a blend of patented surfactant with solvents.

### APPLICATION

DEEP SHINE is ideal for use on escalators, lifts, offices, kitchen equipment, laminated and enameled surfaces.

### FEATURES

- **Removes stains, spots and smudges easily**
- **Cleans and polishes at the same time**
- **Brightens all type of stainless-steel surfaces**

### METHOD OF USE

Spray DEEP SHINE with a trigger spray approximately 6 inches away from the surface to be polished. Use a dry cloth to wipe immediately until surface is dry and free from stains and marks. Repeat application for stubborn stains. Routine cleaning will maintain maximum results.

### SAFETY

Avoid inhaling and keep away from eyes. If contact with eye, flush with plenty of water and obtain medical advice. Keep away from open flame or sparks.

### PACKING

5Ltrs bottle

---
