# FLORAL PINE

## DISINFECTANT DEODORIZER

### DESCRIPTION

FLORAL PINE is an advanced formulation that combines powerful cleaning properties with commercial grade disinfectant for a long lasting perfumed fragrance.

### APPLICATION

As a multi-surface disinfectant cleaner, FLORAL PINE can be used for cleaning toilet bowls, urinals, flush handles, taps, walls, floors, telephones, cookers, fridges, waste receptacles, drains, bin centers etc.

### FEATURES

- **Contains active 2% Benzalkonium Chlorine**
- **Double action power effectively cleans and disinfect at the same time**
- **Destroys odor-causing bacteria and leaves behind a lingering pleasant air-freshener effect**
- **Contains perfume boosters and fixatives for strong initial impact and lasting deodorizing action**

### METHOD OF USE

Dilute 1 Parts to 10 parts of water. Apply by mopping or with a trigger spray. To ensure complete disinfectant, allow the solution to penetrate and act in hidden areas such as drains, under sinks, behind pipes and fittings. Do not rinse.

### SAFETY

Protective gloves should be worn to avoid prolonged skin contact. Splashes on the eye should be flushed with plenty of water and medical advice obtained.

### PACKING

5Ltrs bottle/25Ltrs drum

---

#### Important Notes

Chemforce product data sheets are regularly reviewed and available on request. The successful use of this product is dependent on a number of factors. As the information contained in this literature can only be of a general nature, it is advisable to consult our technical department if there is any doubt about the correct use of this product in a particular application. Our Sales and Technical representatives are available to provide further technical and commercial assistance.
