FORCE STEEL

POWDERED STAINLESS STEEL AND GLASS CLEANER

DESCRIPTION

FORCE STEEL is a powdered designed cleaner to remove stubborn and rust stain on hammered or grained stainless steel surfaces of lift and panel, and glass windows.

APPLICATION

FORCE STEEL is ideal for removal of stubborn stain on stainless steel surfaces which are hammered or grained.

FEATURES

- **Non-toxic, non-phosphorus substance**
- **Remove stubborn stain off grained stainless steel surface**
- **Remove rust off stainless steel surfaces safely**
- **Remove stubborn stain off glass windows safely**
- **Restored new surfaces for badly stained stainless steel surfaces**
- **No acidic content in product**

METHOD OF USE

Wet the towel & squeeze dry. Sprinkle FORCE STEEL on damp towel or sponge; rub surfaces of stainless steel in the same direction of the grained. Wipe the surfaces with the clean side of the damp towel and dry immediately with another clean & dry piece of towel or micro-fiber cloth.

For exterior glass panel, wet a small piece of 3M white pad, pour Force Steel powder onto the damp 3M white pad & rub against the stain on the glass panel, after removal of the stain, rinse with water & dry up with micro-fiber cloth.

PACKING

(12x400gm bottle) carton/5kg Pail/20kg Pail
