HAND KLEEN (Blue)

LIQUID HAND SOAP

DESCRIPTION

HAND KLEEN is a gentle and luxurious hand soap formulated for industrial as well as for the commercial sector.

FEATURES

HAND KLEEN is carefully blended to ensure a neutral PH. Its rich foam works effectively in removing dirt, oil & grease from the hands but yet is gentle and safe. Its viscosity makes it easier to use and suitable for use in most soap dispensers. HAND KLEEN is mildly fragranced to leave a pleasant and subtle blossom smell.

METHOD OF USE

For good results, wet hands before dripping several drops of HAND KLEEN. Rub briskly and rinse with clear water. Rinsing is easy leaving behind a pleasant scent.

SAFETY

HAND KLEEN is a safe product and would not harm skin. However, for safety keep away from eyes.

PACKING

5Ltrs bottle/ 25Ltrs drum

Important Notes

Chemforce product data sheets are regularly reviewed and available on request. The successful use of this product is dependent on a number of factors. As the information contained in this literature can only be of a general nature, it is advisable to consult our technical department if there is any doubt about the correct use of this product in a particular application. Our Sales and Technical representatives are available to provide further technical and commercial assistance.
